About Us

Hotel Media Solutions helps you manage your online guest experiences. We help hoteliers attract more guests and give hotels a competitive edge through digital marketing and business insights.

Our multi-channel approach helps hotels reach more potential guests, increase occupancy, and improve revenue. Through strategic reputation management and review responses, creative social media marketing, and more, Travel Media Solutions will partner with you to meet your goals.

We provide the best resources in the industry for hotelier education. Whether you're a long-time owner, a new manager or just starting out in the hospitality business, we've got resources for you.

Services

Social Media Marketing

Get started on Instagram, Facebook, Twitter & Pinterest.

Professional Review Responses

Speedy, professional responses to all of your hotel reviews on major review networks.

Reputation Management

Track reputation while managing feedback and encouraging positive reviews.

Hotel Websites

Our responsive website design is compatible with all devices.

Management Group Solutions

Our proven marketing solutions work for hotel and hospitality management groups.

Packages

We understand that every hotel is unique. That's why our packages vary based on your needs. Whether you're looking for access to industry-leading reputation management services for managing your online reputation and social media in-house, or you want us to take the work out of your hands, Hotel Media Group is the partner you're looking for. Our packages below offer annual rates on bundled social media, reputation and review response solutions for added savings. Customizing your solutions with custom social posts, a lead generating website or review responses by star-rating is easy.

Professional

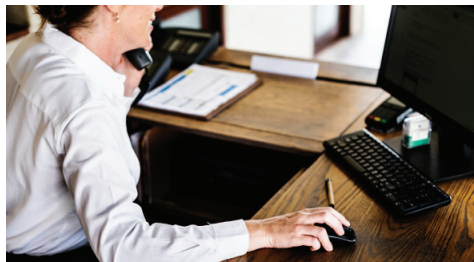

- Social media engagement including 4 trending posts per week
- \$25/month Facebook ad spend to build your audience
- Reputation Influence post-stay email program for more positive reviews
